Great New Food Finds

The world of food is always exciting, always changing. Jill has found some terrific new products for your kitchen by teaming up with new suppliers and scouting the Fancy Food Show in San Francisco earlier this year to bring some of these wonderful products home.

Merula olive oil from Spain is a newcomer at Jill's. This estate-produced oil is a blend of four olives, including the rare morisca. It's a fabulous oil in a great package at a terrific price. \$16.99
