PEAK OIL The tins are so pretty that, frankly, who cares what's inside, but the perfumer Miller Harris's fragrant olive oil tastes as good as it looks. In three blends, made with extra-virgin oil from the Marqués de Valdueza estate in Spain (the producer Fadrique Alvarez de Toledo is pictured with the perfumer Lyn Harris), it costs £14 for 250ml (0844-561 0992; millerharris.com).
