

The International Wine Challenge is acknowledged as the most comprehensive and influential wine competition in the world.

Throughout the rigorous judging processes, each winning wine is tasted a minimum of three times and as many as six. This medal is a powerful endorsement of quality and excellence in winemaking.

Our esteemed judges have awarded a bronze medal to

**Marqués de Valdueza 2006
Bodega Perales, S.I.**

*for outstanding achievement in the
International Wine Challenge 2008*
